

Staging Acceptance Report

STATUS: NOT RUN. No step below has executed against the supplied Supabase staging project (vjxdqmujxnmlfvnksvpy) or Netlify staging site. This report is the template the CI run will populate; every step is currently NOT RUN.

#	Step	Status
1	Owner signs into Operations Console (MFA)	NOT RUN
2	Create pilot organization	NOT RUN
3	Approve pilot	NOT RUN
4	Set start/end dates (activate)	NOT RUN
5	Invite user	NOT RUN
6	User accepts invitation	NOT RUN
7	User creates password	NOT RUN
8	User enrolls TOTP MFA	NOT RUN
9	User completes MFA	NOT RUN
10	User enters real-data pilot app	NOT RUN
11	Admin suspends pilot	NOT RUN
12	User loses access (≤300s or forced sign-out)	NOT RUN
13	Admin restores/extends	NOT RUN
14	User regains access after reauthorization	NOT RUN
15	Admin revokes user	NOT RUN
16	User cannot regain access via localStorage or prior session	NOT RUN

Controlled real-data pilot access remains **NOT approved** until every step passes here.
